Join us at McDonough Canoe Rental located on the Maquoketa River in Monticello, Iowa. The Maquoketa River boasts plenty of opportunities for outdoor enthusiasts. Whether your interests lie in canoeing, tubing, fishing or bird watching, the Maquoketa River is a wonderful place to relax and enjoy the 8 mile water trail of the breathtaking landscapes and wildlife of Eastern Iowa.

The 8 mile water trail will take you from McDonough Canoe Rental, just below the Mon-Maq Dam to Pictured Rocks Park. Your trip will take approximately 3 to 4 hours of floating in a canoe, or 4 to 6 hours of floating in a tube. These times are approximate depending on the river level, and do not include stopping time along the way.

At McDonough Canoe Rental, we want you to take all the time you need on your journey. The lush landscapes of the Maquoketa River offer many opportunities to stop and enjoy; therefore, we rent our canoes and tubes by the day. You can be on the water as early as 9:00 am, but all canoes and tubes must be off the water no later than 6:30pm.

Shuttles

Saturday-Sunday & Holidays

Because of the completed project at Pictured Rocks, we have been asked NOT to let our customers park there on the weekends and holidays for shuttling. We have made arrangements for shuttle parking that will be plainly marked which is on the right hand side of the road before you get to Camp Courageous. Our buses will be there to bring you to the Canoe Rental to check in and they will be at the boat ramp at Pictured Rocks to shuttle you back up to your vehicle when you are done with your float.

This is why it is important that you respect our policy of 6:30 OFF THE WATER. This is only for the weekend and holidays, weekdays are still able to park at Pictured Rocks. Again parking is in the parking lot at about 12521 190th St and will be marked with a sign designating it as McDonough Canoe Rental parking.
